

Walum Olum Red Score Migration Legend

lenni lenape (or eastern delaware) t - lenni lenape (or eastern delaware) 79 from the wording are a series of bars or sticks bearing various designs. these sticks may represent the walum olum, "red score", a pictograph carved on wood and used to record the lenni lenapes legends, history, and migrations (enat, 78-80). **back to my other lectures once or twice. iãçâ€™ll point out ...** - the walum olum or walum olum, usually translated as "red record" or "red score," is purportedly a historical narrative of the lenape (delaware) native american tribe. the narrative begins with the formation of the universe, the shaping of the earth, and **constantine samuel rafinesque - muse.jhu** - asia to the shores of the delaware river, was recorded in the walum olum ("red score" or "painted sticks"), an ancient document of immense imporÃ,Â- ... mounds and the notebooks containing the walum alum. there is no record of his purchase of the original wooden sticks, so whatever their history or
